I am pleased to be able to report another significant and successful year for Treeton Parish Council

The Parish Council has again taken part in the Public Rights of Way Partnership Scheme with Rotherham MBC. This provides funding towards the costs of the Footpath Officer and again shows the value of the work that is being carried out in the village. Treeton continues to be the only village to take advantage of this funding.

The increased cutting regime by the maintenance contractors has continued the significant improvement in the appearance of the Burial Ground. Further improvements in the Burial Ground are planned for next year and this should see improvements to some of the fencing around the ground.

Further improvements are also planned for next year for the Reading Room. The building will be re-roofed and this work will be carried out by a village contractor. There has recently been a problem with the roof, and now slates coming loose making it dangerous.

Fly-tipping still remains a major issue particularly down Long Lane and recently the entrance to the Boat Club. If any resident sees items being discarded in this, or any other area, please report this to Rotherham MBC, this can be done anonymously if you so wish.

Rotherham MBC will take action against any culprits that they can prove were fly-tipping. The Parish Council has also requested that the area is covered by CCTV cameras to also act as a deterrent.
It is pleasing to see the continuing development at the Community Centre which is now flourishing and is used every day of the week. Consideration is now being given to extending the building to cope with the demand. Praise has to be given to Councillor Terry Adair and his group of helpers for the sterling work that they have put in to make the Centre the success that it has become.

The Parish Council continued to provide funds for the Junior Youth Club. Treeton continues to be the only Parish within Rotherham that provides such facilities. The format of the Youth Club has now changed, all the Youth Club workers have left and following problems with the former building the Youth Club has now moved to the Community Centre and is managed on behalf of the Parish Council by SJD Coaching Services. The Club is now thriving again. Small grants have also been made to a number of village organisations, but more significant grants were made to the Baptist Church and the Cricket Club towards the costs of their Bonfire Night Celebrations as it was felt that these events benefitted the village as a whole.

Our village continues to be kept neat and tidy and a big thank you for that must go to Ray Bolton our Village Handyman and Footpaths Officer/Village handyman Shaun Singleton.

Whilst efforts are made to keep the village clean and tidy it is disappointing to note the amount of litter that is dropped all over the village, dog walkers leaving their pets presents behind and the amount of fly-tipping that is now taking place. I can now report that there have recently been prosecutions for fly-tipping and more prosecutions are in the pipeline. Also, as reported in the last edition of the Parish Council Newsletter the village is covered by a Borough Wide Dog Control Order and anyone with problems with dogs are asked to contact the Borough direct.

Appreciation must also be made of the efforts and continued support I have received off the clerk to the council Chris Brown and also the support of my fellow councillors plus the Rotherham MBC housing champion, Susan Scarafile who continues to work tirelessly for the village.

INFLUENZA CLINICS
It is important to get vaccinated against Flu If you are in one of the following at risk groups; this is a free vaccine: Heart Disease, Angina, Stroke, Diabetes, COPD, HIV Asthma (only on a regular preventive therapy) Emphysema, Cystic Fibrosis, Epilepsy, MS, Cancer, Immune Suppression, Chronic Renal Failure, Parkinson’s, Rheumatoid Arthritis and Patients aged 65yrs.

If you have a condition which is not on the above list, please enquire at the surgery if you are eligible for a free vaccine.

It is important if you fall into an at risk category to have your Flu vaccination. Please contact the surgery for an appointment. Having your flu vaccination at the surgery ensures this is documented in your medical records and keeps your records up to date.

Flu vaccinations appointments are available to book from the beginning of September; appointments can be booked either online, face to face or via telephone. If you are a bed bound patient or their carer; please contact the surgery to arrange a home visit for your/their flu vaccination.

DNA (Did not attend) Appointments
Missed appointments are a waste of time and resources which could have help another patient access the service.

During the Month of May 92 appointments were missed which equates to a total of 22hrs of wasted time:

30 GP missed appointments
11 HCA missed appointments
18 ANP missed appointments
30 Nurse missed appointments
3 Mental Health Nurse missed appointments

Please cancel all unwanted appointments and help improve access to the service for all patients.

Care Navigation
Our receptionists are her to help you see the right person for your needs. Please don’t be offended if they ask what the problem is when you call to make an appointment. The receptionist might suggest that you see someone else who can help you better such as, IAPT (Mental Health Services), Self care pharmacy, Sexual Health, Physio first, Stop smoking, Midwife, ANP (Advanced Nurse Practitioner). For further details visit www.rotherhamccg.nhs.uk/care-navigation-2.htm to find out more about the full range of services available locally.

Choosing the right care, first time
Pharmacy first: Many pharmacies are open early until late and on weekends and bank holidays. You don’t need an appointment, and can just pop in and get expert medical help from a qualified healthcare professional. Most pharmacies now have a private consultation area where you can discuss your issues and concerns without being overheard. Pharmacy First Many of Rotherham GPs and community pharmacies are part of the Pharmacy First scheme which enables you to get medication direct from the pharmacist without a prescription. Plus if you don’t normally pay prescription charges you can get medicine supplied under the scheme FREE OF CHARGE. For a list of pharmacies in the scheme visit: www.rotherhamccg.nhs.uk/pharmacy-first.htm

Self care: You can treat most common ailments and illnesses at home by keeping a well stocked medicine cabinet. This should include: • Pain relief e.g. paracetamol or ibuprofen • Children’s paracetamol oral suspension and ibuprofen syrups • Mild laxatives to relieve constipation. • Cold relief products. • Rehydration mixtures to use if feeling dehydrated after a bout of sickness or diarrhoea. • Indigestion remedy. • A range of bandages, plasters, non-absorbent cotton wool, elastic bandages and dressings for minor cuts, sprains and bruises.
Children: All children get colds. This is a normal part of growing up and no medicines can prevent them. The best way to look after your child is to make sure they have plenty to drink and if they have a temperature some paracetamol will help. Most doctors don’t recommend cough medicines and antibiotics won’t help a cold.

NHS 111: NHS 111 offers confidential health advice and information by telephone. Ring 111 if you are ill and have questions about your health and where to get treatment. Health services are very busy at the moment. Help us to help those most in need. Follow these steps to use the right treatment:

GP surgeries: Make an appointment with your local GP if you have an illness or injury that will not go away.

ANP (Advanced Nurse Practitioner)
We have introduced several ANP sessions throughout the week to help with demand and increase our appointment capacity. The ANP’s are fully trained and qualified to deal with minor ailments including Viral infections, Tonsillitis, Cough, Chest infections, Dizziness, Headache, Gout, Urinary tract infections, Skin complaints, Wound infections, Musculoskeletal issues (neck, back pain etc....), Abdominal pain, Ear infections & More. If you are suffering with any of these conditions, please book in with one of the ANP’s who will be able to help. This will hopefully increase appointment capacity for our GP’s. Our receptions have been trained to asked patients for some details regarding your conditions to help direct you to the most appropriate clinician. Online appointments are available for you to book now for our ANP’s, please ensure you book appropriately for one of the conditions.

Patient Participation Group
A PPG is made up of patients and practice staff who communicate at regular intervals to consider ways of making a positive contribution to the services and facilities offered by their practice to patients. If you would like to get involved or would like your ideas passed to the group, please contact John Swift who is the chair for the group on 0114 2696992 alternatively please contact Treeton Medical Centre and speak to the practice manager. All suggestions/ideas will be reviewed; this is only for PPG suggestions NOT for complaints or enquires.

The Carers Resilience Service team
The Carers Resilience Service team, who facilitate the carer drop-ins, can provide information and signposting on the support and resources available to help carers in Rotherham. For more information please call 01709 360272 and ask to speak with one of the Carers Resilience Team or pop along to Treeton Medical Centre during one of our drop-in sessions.

Zero Tolerance
The surgery operates a zero tolerance procedure in conjunction with NHS England and South Yorkshire Police. The Practice will not tolerate patients who are violent, abusive or use foul language to staff and ancillary staff. Action will be taken against anyone found to have used any of the afore mentioned forms of unacceptable behaviour. This also applies to electronic media behaviour such as emails, face book and twitter. Any proven threats made against the practice and its staff will be forwarded to the police.

Chronic Disease Reviews
If you are due for your annual review for Diabetes, Hypertension, COPD, Asthma or CHD, please contact the surgery to book an appointment with the Nurse. The practice has a duty of care to ensure all patients who are on chronic disease registers ie: Asthma, are reviewed.

Update contact details
Please update your contact details if they have changed, this will enable the practice to contact you for routine or urgent matters. If you have a mobile phone could you please let the surgery know, this will enable the practice the facility to be able to send an appointment text reminder to you.

1st Edition of the competition
“Your Favourite cycling route in Yorkshire and the Humber”
for residents of Yorkshire and the Humber region

Dear Residents!

Are you a cycling enthusiast? You cannot imagine a weekend without your favourite two-wheeled vehicle? Do you often commute by bike? If your answer to any of the question was “YES”, this competition is just for you!

We would like to invite you to take part in the competition organised by an online transport marketplace Clicktrans.com. The only thing that you have to do is to convince us that it is your route that has something which makes it the best route in your region! In the winner selection process, we do not take into consideration the route itself, but the attractiveness of the way in which you present it.

Acceptable forms of a project:
Map with description
Text, no longer that two A4 page, in the .doc of .pdf format
Photos or video of your authorship

Rules:
Any resident of Yorkshire and the Humber region at the age of 15 - 115 is welcome to take part in the competition
The majority of your route should be on the territory of the Yorkshire and the Humber region
We do not confine you to share an officially established cycling route – it can be any path of your choice.

Prizes:
1st prize: £ 450
2nd prize: £ 250
3rd prize: £ 100

To enter the competition, please send us an email entitled “My favourite cycling route in Yorkshire and the Humber” to: competition@clicktrans.com.

Winning projects will be published on our blog: https://clicktrans.com/blog/

A deadline for submitting your project is July 12, 2018.

You can find the competition’s terms and conditions and any other details here:
Community Centre Update

The Community Centre continues to grow in popularity each month. The Luncheon club is a favourite with the more mature residents. The youth club is thriving, it’s good that we can offer these facilities by getting children involved in sports and crafts.

A special thanks to Simon Dungworth and his colleagues for running Sportsmania Monday to Friday, bringing youngsters together off the street during the school holidays.

And finally a special thank you to all that support us each week.

Terry Adair
Chairman and Parish Councillor.

Heritage Open Days
St. Helen’s Church

On Thursday 6th and Saturday 8th September 2018, St. Helen’s church will be participating in the very popular Heritage Open Days event and everyone from the village is invited to attend with their family and friends.

With opening hours from 10:00 a.m. to 4:00 p.m. on both days, short tours of the church to examine its principal architectural features and construction history, will be led hourly from 11:00 a.m. by Scott Engering - a local geologist, photographer and writer - with several other Treeton residents on hand to talk about its history and to show you around the interior, which has very many interesting features.

There will also be a display in the Brampton Chapel, produced by the Treeton Local History Group, and activities will be provided for adults and children – including the opportunity to pose for family fun photos in the village stocks.

Refreshments, including various homemade cakes, will be served throughout the day.
• Nursery care from 6 weeks to 5 years old
• Out of School Clubs for up to 11 years old
• Free child places available for 3 to 5 years
• Open 7am to 6pm
• Highly qualified professional staff
• Secure, high quality setting
• Multi-sensory outdoor play area
• Healthy meals cooked fresh each day
• Central Treeton location
