At the time of going to press there was still no date fixed for the planning board to discuss the Jones Homes application for the 94 houses off Wood Lane.

Whilst there were many objections and people venting their views, planning have informed the Parish Council that not many residents had actually asked to speak at the meeting. If you still wish to speak and air your views please contact Andrew West direct at Rotherham MBC.

Fly tipping and the dumping of rubbish continues to be a major problem in the village. Whilst there are continuing occurrences on Long Lane and at the entrance to the boat club on Wood Lane, there have been recent occurrences on at the Mill Lane end of Treeton Lane and behind the bus stop at the Catcliffe end of Treeton Lane. Rotherham MBC have promised action against anyone found fly tipping or dumping rubbish and have recently purchased additional CCTV cameras to try and catch the culprits.

The village will also be taking part in the Keep Britain Tidy, Great British Spring Clean in April. Details of this event can be found later in this edition.

T.W. Adair
Chairman.

Police Surgery

Residents are invited to attend this drop in session which is held every Thursday between 10.15 a.m. and 11.30 a.m. Residents can have a coffee and discuss any problems relating to housing, anti-social behaviour, crime and the environment. The Police and a Councillor are usually in attendance at these sessions.

If anyone has a matter they wish to discuss in private, please make this know to the person or group that you wish to see on your arrival.

**Treeton Medical Centre News**

**Surgery Renovations**

We are currently having some renovations done at our practice to upgrade our waiting area, office and some clinical spaces. We ask for your patience while this work is being undertaken.

**CQC Inspection**

The surgery was inspected by the CQC on the 5th December and we have now received our completed report and received a rating of “Good”. If you would like to view the report, this can be found at [https://www.cqc.org.uk/location/1-540801978](https://www.cqc.org.uk/location/1-540801978) or by following the link on our website.

**Care Navigation**

Our receptionists are here to help you see the right person for your needs. Please don’t be offended if they ask what the problem is when you call to make an appointment. The receptionist might suggest that you see someone else who can help you better such as, IAPT (Mental Health Services), Self care pharmacy, Sexual Health, Physio first, Stop smoking, Midwife, ANP (Advanced Nurse Practitioner). For further details visit [www.rotherhamccg.nhs.uk/care-navigation-2.htm](http://www.rotherhamccg.nhs.uk/care-navigation-2.htm) to find out more about the full range of services available locally.

**Choosing the right care, first time**

Pharmacy first:  Many pharmacies are open early until late and on weekends and bank holidays. You don’t need an appointment, and can just pop in and get expert medical help from a qualified healthcare professional. Most pharmacies now have a private consultation area where you can discuss your issues and concerns without being overheard. Pharmacy First Many of Rotherham GPs and community pharmacies are part of the Pharmacy First scheme which enables you to get medication direct from the pharmacist without a prescription. Plus if you don’t normally pay prescription charges you can get medicine supplied under the scheme FREE OF CHARGE. For a list of pharmacies in the scheme visit: [www.rotherhamccg.nhs.uk/pharmacy-first.htm](http://www.rotherhamccg.nhs.uk/pharmacy-first.htm)

Self care: You can treat most common ailments and illnesses at home by keeping a well stocked medicine cabinet. This should include: • Pain relief e.g. paracetamol or ibuprofen • Children’s paracetamol oral suspension and ibuprofen syrups • Mild laxatives to relieve constipation. • Cold relief products. • Rehydration mixtures to use if feeling dehydrated after a bout of sickness or diarrhoea. • Indigestion remedy. • A range of bandages, plasters, non-absorbent cotton wool, elastic bandages and dressings for minor cuts, sprains and bruises.

Children:  All children get colds. This is a normal part of growing up and no medicines can prevent them. The best way to look after your child is to make sure they have plenty to drink and if they have a temperature some paracetamol will help. Most doctors don’t recommend cough medicines and antibiotics won’t help a cold.

NHS 111: NHS 111 offers confidential health advice and information by telephone. Ring 111 if you are ill and have questions about your health and where to get treatment. Health services are very busy at the moment. Help us to help those most in need. Follow these steps to use the right treatment:
Treeton Medical Centre News cont ....

GP surgeries: Make an appointment with your local GP if you have an illness or injury that will not go away.

Patient Participation Group

A PPG is made up of patients and practice staff who communicate at regular intervals to consider ways of making a positive contribution to the services and facilities offered by their practice to patients.

If you would like to get involved or would like your ideas passed to the group, please contact John Swift who is the chair for the group on 0114 2696992 alternatively please contact Treeton Medical Centre and speak to the practice manager. All suggestions/ideas will be reviewed; this is only for PPG suggestions NOT for complaints or enquires.

The Carers Resilience Service team

The Carers Resilience Service team, who facilitate the carer drop-ins, can provide information and signposting on the support and resources available to help carers in Rotherham. For more information please call 01709 360272 and ask to speak with one of the Carers Resilience Team or pop along to Treeton Medical Centre during one of our drop-in sessions.

Zero Tolerance

The surgery operates a zero tolerance procedure in conjunction with NHS England and South Yorkshire Police. The Practice will not tolerate patients who are violent, abusive or use foul language to staff and ancillary staff. Action will be taken against anyone found to have used any of the afore mentioned forms of unacceptable behaviour. This also applies to electronic media behaviour such as emails, face book and twitter. Any proven threats made against the practice and its staff will be forwarded to the police.

Chronic Disease Reviews

If you are due for your annual review for Diabetes, Hypertension, COPD, Asthma or CHD, please contact the surgery to book an appointment with the Nurse. The practice has a duty of care to ensure all patients who are on chronic disease registers ie: Asthma, are reviewed.

Update contact details

Please update your contact details if they have changed, this will enable the practice to contact you for routine or urgent matters. If you have a mobile phone could you please let the surgery know, this will enable the practice the facility to be able to send an appointment text reminder to you.
