As I write this we are back into tier 3 of COVID restrictions, 2020 will be a year for us all to remember for all the wrong reasons. Like many of you I had hoped that after all our efforts over the spring and our careful return to some semblance of normality in our lives over the summer albeit remembering to social distance, wear our face coverings and extra hand washing we would have beaten this virus but sadly not. However we do have the light of a vaccine in the coming months.

The Parish Council is now holding its meetings remotely, not something any of the Parish Councillors wanted but necessary in these times, the Community Centre closed its doors again in November and our youth club which restarted so well in September out on the Cowfield has yet again paused, now until January.

Despite all these challenges we do need to try and find something positive and the Parish Council has been busy across the village with the help of the youth club through September and October litter picking and planting bulbs. Remembrance took place in the village in November and whilst not the same as in previous years we were proud to remember all those that fought in conflict and to show our thanks to those currently serving in our armed forces.

It will shortly be Christmas time and we have a small opportunity within our Christmas bubble to celebrate the festive season carefully. On behalf of all the Parish Council team I would like to wish you and yours a Happy Christmas and lets all hope for the best in 2021.

Community Matters

Litter - Community & youth club litter picks have paused again because of the Coronavirus restrictions. Please help look after our village and take your litter home with you.

Road Safety - In response to concerns about road safety on Long Lane the Parish Council have been lobbying Rotherham Borough Council and are really pleased to have been fortunate to secure funding for a scheme to undertake road safety signage and minor carriageway improvements on Long Lane. It is hoped the work will commence early in the New Year and reduce potential accidents.

Burial Ground - We are replacing the very worn and shabby vehicular access gates to the burial ground hopefully before Christmas. The Burial Ground will be closed to visitors when this takes place in the interests of health and safety.

Community Centre Update

Treeton Community Centre continues to try and provide a focal point for the community despite the impact of COVID-19 and whilst we’ve been closed for quite a while this year we have still been busy ‘behind the scenes’.

We re-opened very cautiously in the late summer with all our precautions in place to fully meet the standards of a COVID-19 safe setting and welcomed back Qigong and did try to bring back diddikicks but unfortunately that wasn't possible to do ‘COVID safe.

One of the ‘themes’ of our work is healthy bodies and with that in mind we organised a ‘health walk and pick up a packed lunch’ session last month.

We host Rotherham College for 2 half day sessions a week and are looking at how we can support other organisations across Rotherham to in turn support our residents in Treeton particularly during this health crisis and with the knock on effects of the loss of our regular activities and clubs and the consequent loneliness from isolation this brings.

We have developed our outside space with a hard surface, an outdoor classroom and new storage for our equipment. And have 'reconfigured' our indoor space so that come the New Year we really hope we can open safely to more community activities including the youth club.

It is hoped the community centre will be able to return to organising and providing a venue for private bookings and the broad range of activities and events in the Spring.

If you need any further information or assistance please contact Terry Adair on 07886 520586. Terry would be pleased to see you by appointment to have a look at the facilities on offer for yourself.
