Edition 42 December 2019

Chairman's Review

The floods caused havoc in quite a few areas of the village although nothing like those of 2007. The main problem being access both in and out of the village with all three routes being flooded.

The Parish Council have now requested Rotherham MBC provide a container filled with sand bags which could be placed in an appropriate position and be accessible in times of need.

The floods also created more pot holes on the roads, and whilst temporary repairs are ongoing, the following roads will be resurfaced before the end of March 2020, Well Lane, High Hazel Road and Wood Lane from the roundabout up Treeton Lane to Aughton cross roads

It was pleasing to see such a good turnout for Armistice Day on the Sunday 10th November which continues to show the respect the village has for our fallen soldiers. Gareth Whysall a serving officer of the Army laid the wreath on behalf of the Parish Council. I would also like to thank Margaret Stewart for her artistic touch with the display of poppies on the Pit Tubs and the Cenotaph.

I have also been asked by the Chairman of the Cricket Club to ask if anyone would be interested in forming a community based action group that would keep the Washfield Lane play area in good condition for all to use. Tools and equipment would be provided. Anyone interested should contact Keith Haynes direct. He has also asked that I mention the amount of damage that is being done to sports equipment on the Cricket Field, some of which, has only been purchased this year.

And finally on behalf of the Parish Council I would like to wish all residents of the village a very Merry Christmas and a Happy New Year.

T.W. Adair
Chairman.

Treeton Miners Welfare Club

Treeton Medical Centre News

INFLUENZA CLINICS

It is important to get vaccinated against Flu If you are in one of the following **at risk groups**; this is a free vaccine: Heart Disease, Angina, Stroke, Diabetes, COPD, HIV Asthma (only on a regular preventive therapy), Emphysema, Cystic Fibrosis, Epilepsy, MS, Cancer, Immune Suppression, Chronic Renal Failure, Parkinson's, Rheumatoid Arthritis, Patients aged 65 years.

If you have a condition which is not on the above list, please enquire at the surgery if you are eligible for a free vaccine. **It is important if you fall into an at risk category to have your Flu vaccination. Please contact the surgery for an appointment. Having your flu vaccination at the surgery ensures this is documented in your medical records and keeps your records up to date.**

Flu vaccinations appointments are available to book from September; appointments can be booked either online, face to face or via telephone. If you are a bed bound patient or their carer; please contact the surgery to arrange a home visit for your/their flu vaccination.

Surgery Renovations

Renovations at the surgery are now complete and we would like to thank you for your patience while the works were being carried out. We have upgraded the waiting area, reception, patient toilets and some of the clinical rooms.

Care Navigation

Our receptionists are here to help you see the right person for your needs. Please don't be offended if they ask what the problem is when you call to make an appointment. The receptionist might suggest that you see someone else who can help you better such as, IAPT (Mental Health Services), Self care pharmacy, Sexual Health, Physio first, Stop smoking, Midwife, ANP (Advanced Nurse Practitioner). For further details visit www.rotherhamccg.nhs.uk/care-navigation-2.htm to find out more about the full range of services available locally.

Choosing the right care, first time

Pharmacy first: Many pharmacies are open early until late and on weekends and bank holidays. You don't need an appointment, and can just pop in and get expert medical help from a qualified healthcare professional. Most pharmacies now have a private consultation area where you can discuss your issues and concerns without being overheard. Pharmacy First Many of Rotherham GPs and community pharmacies are part of the Pharmacy First scheme which enables you to get medication direct from the pharmacist without a prescription. Plus if you don't normally pay prescription charges you can get medicine supplied under the scheme FREE OF CHARGE. For a list of pharmacies in the scheme visit: www.rotherhamccg.nhs.uk/pharmacy-first.htm

Children: All children get colds. This is a normal part of growing up and no medicines can prevent them. The best way to look after your child is to make sure they have plenty to drink and if they have a temperature some paracetamol will help. Most doctors don't recommend cough medicines and antibiotics won't help a cold.

Treeton Medical Centre News cont

Self care: You can treat most common ailments and illnesses at home by keeping a well stocked medicine cabinet. This should include: • Pain relief e.g. paracetamol or ibuprofen • Children's paracetamol oral suspension and ibuprofen syrups • Mild laxatives to relieve constipation. • Cold relief products. • Rehydration mixtures to use if feeling dehydrated after a bout of sickness or diarrhoea. • Indigestion remedy. • A range of bandages, plasters, non-absorbent cotton wool, elastic bandages and dressings for minor cuts, sprains and bruises.

NHS 111: NHS 111 offers confidential health advice and information by telephone. Ring 111 if you are ill and have questions about your health and where to get treatment. Health services are very busy at the moment. Help us to help those most in need. Follow these steps to use the right treatment:

GP surgeries: Make an appointment with your local GP if you have an illness or injury that will not go away.

Patient Participation Group

A PPG is made up of **patients** and practice staff who communicate at regular intervals to consider ways of making a positive contribution to the services and facilities offered by their practice to **patients**.

If you would like to get involved or would like your ideas passed to the group, please contact John Swift who is the chair for the group on 0114 2696992 alternatively please contact Treeton Medical Centre and speak to the practice manager. All suggestions/ideas will be reviewed; this is only for PPG suggestions **NOT** for complaints or enquires.

The Carers Resilience Service team

The Carers Resilience Service team, who facilitate the carer drop-ins, can provide information and signposting on the support and resources available to help carers in Rotherham. For more information please call 01709 360272 and ask to speak with one of the Carers Resilience Team or pop along to Treeton Medical Centre during one of our drop-in sessions.

Zero Tolerance

The surgery operates a zero tolerance procedure in conjunction with NHS England and South Yorkshire Police. The Practice will not tolerate patients who are violent, abusive or use foul language to staff and ancillary staff. Action will be taken against anyone found to have used any of the afore mentioned forms of unacceptable behaviour. This also applies to electronic media behaviour such as emails, face book and twitter. Any proven threats made against the practice and its staff will be forwarded to the police.

Chronic Disease Reviews

If you are due for your annual review for Diabetes, Hypertension, COPD, Asthma or CHD, please contact the surgery to book an appointment with the Nurse. The practice has a duty of care to ensure all patients who are on chronic disease registers i.e.: Asthma, are reviewed.

Update contact details

Please update your contact details if they have changed, this will enable the practice to contact you for routine or urgent matters. If you have a mobile phone could you please let the surgery know, this will enable the practice the facility to be able to send an appointment text reminder to you.

Treeton Youngster wins Triple Gold

Treeton teenager Caitlyn Hawley is celebrating after winning three gold medals for Team GB.

The acrobatic gymnast, aged 16, travelled to Monterrey, Mexico, with the British team to represent her country in the Pan American Cup. She entered three disciplines and secured gold in each.

Aston Academy student Caitlyn, who trains in Wakefield for 20 hours a week, competed as part of a trio and performed five acrobatic routines in total - two qualifiers, two finals and an all round final.

Her sport showcases a range of daring balances, tumblers and impressive high tempo moves where gymnasts are thrown into the air and caught in routines requiring strength, skill and trust. Caitlyn was selected for the British team after a series of trials.

Caitlyn is pictured on the right

Over the summer she secured silver in the English championships and bronze in the British. She also competed in an international competition in Belgium earlier in the year, with teams from across Europe.

Caitlyn started gymnastics in a recreational class at Aston Leisure Centre when she was seven years old before progressing and finally moving to Wakefield Gym Club, which boasts current World

Champions and European medalists.

Treeton residents recently attended a race night and supported a raffle to help fund Caitlyn's Mexico trip. Her mum, Claire, said: "We are really proud of Caitlyn for her GB selection and for the way she competed abroad. She took it in her stride and enjoyed the whole experience."

As acrobatic gymnastics is a self funded sport, we want to say thank you to everyone who helped get her there. The support from Treeton was amazing."

Bus Service Complaints

Following recent incidents of buses missing or not turning up, particularly the Service 73, the Parish Council made representation to the South Yorkshire Passenger Transport Executive.

Part of their response is below and the Parish Council urge anyone who has any problems to please follow this advice:

If members of the community experience any further incidences where service 73 does not operate to the advertised timetable or route please encourage them to report this via our Traveline team on 01709 515151, or online via a 'Tell Us What You Think' form, providing specific dates, times and service or fleet registration numbers.

Alternatively, please encourage them to report the incidents directly to First's Customer Service team on 0345 646 0707.
