December 2021

Chairman's Review

Welcome to the last edition of our Newsletter for 2021 and I think with fingers crossed it's fair to say 2021 is coming to a close with much more optimism than 2020.

We have been busy as a Parish Council across Treeton and as a result of considerable lobbying of Rotherham Borough Council they provided some long overdue street cleaning work into the village over September. I am sure you will have noticed the difference with weeds and accumulated debris removed from the main routes through Treeton. Shaun Singleton, part of our village team has also made a big impact clearing up the ever present leaves from around the village. There is much more to do and over winter and into spring we will continue to work to try and keep the main pavements and footpaths clear of debris.

At the end of September and into October you may have seen Les and his team of volunteers planting spring bulbs and Shaun replanting the Miner's wheel & tubs with autumn & winter colour. Thank you to everyone. They will make a difference on gloomy winter days and herald spring.

With Christmas approaching there will be festive cheer in Treeton, we do hope you like the miniature Christmas trees with their fairy lights that will be on lampposts across the village. They will bring a seasonal glow from the beginning of December into early January.

We have partnered with Rotherham Borough Council to fund improvements to Well Lane children's playpark. The broken zip wire will be removed and replaced by swings, there will be a new seat and we intend to do some repainting. The equipment and materials are on order and we hope this will all take place early in 2022

There have been changes to the Parish Council team over the summer as we said farewell to Karen Haycox our cleaner/caretaker and to Ray Bolton who retired after 20 years as our handyperson. Thank you to both of you for your work in the Reading Room & across the village.

We also welcomed Bob Croxton as a Parish Councillor and there's a brief word about him inside.

A correction and a reminder, the Reading Room is open **Wednesdays 15 Dec, 12th & 26th January between 10.00-11.30am** for a community drop in. There will be one of your Parish Councillors around to raise any concerns you think we may be able to help with and a Rotherham Council Housing Champion to advise on housing matters. Do come along, we are here to represent and help you where we can.

Stay safe and stay well everyone.

Councillor Terry Adair. Chairman, Treeton Parish Council

A busy time over September & October

Thankyou to Les and his team of volunteers who planted 1800 spring bulbs across the village and to children of Treeton Primary School who planted the remaining 200 at the entrance to their school. We can look forward to them heralding spring

Thank you to Shaun who dug over the mine wheel and coal tub flower beds and replanted them ready for a winter display. The bulbs that young people from our youth club planted last autumn will flower throughout the spring.

Treeton Remembers & Gives Thanks to all those who Served and Sacrificed for us.

LEST WE FORGET

Saturday morning surgery

Saturday 18th December 10.00-12.00. The Reading Room

The Parish Council would like to invite everyone in the village for a chat, coffee/tea and a mince pie/biscuit.

Please do come along to our informal drop in. Say hello, enjoy Christmas hospitality, tell us what you think about the summer flower baskets, our Christmas lights, what improvements you would like to see in Treeton. Maybe there are issues we might be able to help you with. We really do look forward to seeing you.

Happy Christmas

The Parish Council have been busy preparing for Christmas. Trees with fairy lights are on lamp posts across the village, we have installed a nativity scene in St Helen's church yard and we were really pleased to be able to give Santa's elves a little help

Treeton Medical Centre News

Dear Patients

Many thanks from all the staff at Treeton Medical Centre for your continued support over the last year. We have strived to provide medical care under the COVID pressures and are very grateful to you all for accepting all the changes brought in by the NHS in accessing our services - especially the wearing of PPE in our clinics.

Over the last year we have been involved in the COVID vaccination programme – we are now helping to deliver the Covid Booster programme, our Practice Manager, nursing & admin teams have been working in the clinics 7 days a week. You may have noticed that we have also brought in video calls and care navigation pathways (direct access to other clinicians such as podiatrists and counselling). These new approaches to healthcare have had positive reviews from patients and we will continue to offer them in the longer term. See our website or social media for more information.

However, alongside COVID there has been an added demand on our services. The new housing developments have increased our list size from 6700 to 7400 in the last year. Whilst we have endeavoured to increase the number of clinic appointments these are limited by the restraints of our small clinic building and we are aware that it is becoming increasingly difficult to get in touch with us. There are plans to build a new surgery on the Waverley estate which will provide much needed primary care services. We are pushing for this to be built as soon as possible and have recently spoken to the local MP about this matter. If you would like to get in touch with your MP about health provision locally (or any other matters) please contact Alexander.stafford.mp@parliament.uk
Thank you for your support and understanding.

Influenza Clinics & Covid Booster

Flu clinics are underway and we are working with the District Nursing Team to deliver to our housebound patients. Please help us by attending the surgery for your flu vaccination and the Covid Centre where you can due to limited resources. You will be contacted by the contact Centre to book your Covid Booster when due. If you are eligible for flu vaccination and have not yet booked into the surgery, please contact us to do so.

Patient Participation Group (PPG)

We would like to engage with our practice population on some of the issues we are facing at our surgery and are looking for enthusiastic patients who would like to run/be part of a PPG. We are interested in your views and support to improve our services and communication between the surgery and patients. This is not a forum for complaints it is a constructive way to engage ideas and support. If you feel you could offer a positive contribution to the PPG please get in touch with us.
