Chairman's Report

September already, where has the year gone!

As I write this I have memories of the Queen's Platinum Jubilee celebrations, July & August heatwaves, the Women's Euro football matches at the New York Stadium and great summer staycation holidays to avoid flight dramas and disappointment and I'm looking forward to that illusive Indian summer through this coming month.

The flower holsters are back again and still blooming on lampposts throughout the village and the Parish Council hope you are as pleased as they are to have prioritised funding them again out of your Parish Precept.

We are really happy to share photos of Treeton celebrating the Queen's Jubilee with street decorations and street parties and of the Jubilee Bake Off competition inside this edition of the newsletter and I have to say those cakes were fabulous. We have some really talented bakers in Treeton and as a consequence are planning a Christmas Bake off. Look out for details in the coming weeks.

We have exciting news on our War Memorial project where we are progressing with the refurbishment of the memorial itself and have negotiated a transfer of the ownership of the plot of land to the rear and sides of the memorial from the Borough Council to the Parish Council. Our aim is to develop a really attractive and useful open space in the centre of the village for you all to enjoy both visually and practically as a place for quiet reflection and within this work on the trees to preserve and ensure their long term health. Wendy Parker-Foers is leading this project and really wants your views. There is more information inside and I do encourage any resident with an interest to get in touch with Wendy and maybe arrange to meet her on the site.

I am also really happy to share some good news from the Community Centre who have recently been awarded the Queen's Award for Community Services, a really proud moment for me with my 'other hat on' as Manager and Chairman of the Management Committee for the centre.

Councillor Terry Adair.
Chairman, Treeton Parish Council

Celebrating the Queen's Platinum Jubilee

It was great to see the decorations and street parties over the long jubilee weekend at the beginning of June and the amazing skills of Treeton's bakers at the Treeton Bake off. The standard of baking and imagination of cake and cookie designs were amazing and we want to say a huge thank you to all of you that took part, you were tremendous

Thanks also to Beryl Nuttall for helping to organise the event and to Pat and Barbara who had the envious job of judging on the day.

We would also like to thank **Foers, Old Flatts Farm, Xhibit and Treeton News** for their very kind donation of prizes and to the **Miners Welfare Club** for the use of their function room for the day. Thank you all so much

It was a great event, really well received, not without the odd hitch or two and we will put the learning to use in our future events.

The Beryl Lee Award

The judges and Parish Council were really impressed by one baker and her masterpiece of a cake at the Bake Off and in recognition have decided that for future community competitions we will have a special award given at the judges discretion. From these pictures of Beryl baking her cake and the finished cake we hope you will agree.

What next

The Parish Council would really like to build on the success of the baking competition and on the interest expressed by bakers, judges, families and friends that encouraged and cheered our bakers to help organise more community activities.

Councillor Victoria Beckett is looking to start up an informal group of residents, young and old to work up ideas. Please do give her a ring 07932 719877

The Parish Council is happy to help.

We have already had a suggestion of a Christmas Bake Off but we are sure you will have loads of other ideas and we need you to get involved.

The Rising Cost of Living

Most households are concerned about the recent sharp rise in the cost of living and in particular the impact of rising fuel prices especially as summer is almost at an end.

There is some help available, it is however complex and can be confusing and sadly fraudsters are using this as an opportunity especially through 'cold calling' at homes and by gaining access to your information via the web. **Please do be alert and ask for help if you are at all unsure.**

Below are headlines of the help currently on offer some of which is to all households and some to particular groups eg the elderly. There are also grants for those on certain benefits and support.

Energy Bill Discount

The government will give every household £400 off their electricity bill. This is called the Energy Bills Support Scheme.

You don't need to do anything to get the money, you will not be asked for your bank details and you won't have to pay it back. You'll get the £400 in 6 instalments starting from October 2022.

You'll get:

£66 in October and November

£67 in December, January, February and March

You'll get the discount monthly, even if you pay for your energy quarterly or use a payment card. How you get the discount will depend on how you pay for energy.

Winter Fuel Payment

The Winter Fuel Payment is an annual one-off payment to help you pay for heating during the winter. You can usually get a Winter Fuel Payment if you were born on or before 25 September 1956.

You'll automatically get an extra one-off 'pensioner cost of living payment' of £300 with your usual Winter Fuel Payment in either November or December.

You should start getting the Winter Fuel Payment automatically once you reach State Pension age, but sometimes you might need to apply. You can find out how to apply for the Winter Fuel Payment on GOV.UK.

Cost of Living Payment

Households on means tested benefits, including Universal Credit, Pension Credit and Tax Credits, will receive a payment of £650 this year. This will be made automatically in two instalments, one in summer and another in the autumn, and is in addition to the £400 discount on energy bills.

Disability Cost of Living Payment

Individuals on disability benefits will receive a one-off £150 payment in September to help with extra costs, such as for specialist equipment or transport. This is in addition to the £650 Cost of Living Payment for disabled people who also receive means tested benefits.

Warm Home Discount

If you get benefits, you might be able to get £150 off your electricity bill or £150 added to your prepayment meter. You don't need to apply for the scheme - payments are automatic. You can only get the discount if your supplier is in the scheme. Check with your energy supplier to see if you are eligible

Rotherham Borough Council's Energy Crisis Support Scheme

Provides a payment of up to £250 to households struggling to meet the costs of their energy bills as a result of the significant rise in energy costs. Apply on their web site :<https://www.rotherham.gov.uk/housing-grants-finance/energy-crisis-support-scheme>

Grants to help pay off your energy debts

If you're in debt to your energy supplier, you might be able to get a grant to help pay it off.

The following energy suppliers offer grants to their customers: British Gas, Scottish Power, Ovo Energy E.ON Energy, E.ON Next Energy, EDF Energy, Bulb Energy, Octopus

If you can't get a grant from your supplier, you might be able to get a grant from the British Gas Energy Trust. These grants are available to anyone - you don't have to be a British Gas customer.

You'll need to get debt advice before applying - get help from a debt adviser. If you've already spoken to a debt adviser - check if you can get a grant from the British Gas Energy Trust.

News from across Treeton

The summer flower holsters returned to lampposts immediately after the Platinum Jubilee & Shaun has planted out the mine wheel and coal tubs.

Thank you to Andy for help with watering Mill Lane wheel.

We really hope you're enjoying seeing them bloom and brighten our village

Allotments to rent

The Parish Council have allotments at the back of Well Lane, off Rother Crescent and at the back of Mill Lane and as a result of turnover of tenancies whilst all our plots are currently let there is a very short waiting list for the plots at the back of Mill Lane and off Rother Crescent. If you are interested in being added to the waiting list to rent a plot please get in touch with the Clerk by email at treetonpc@aol.com or telephone 01226 745910.

Changes on the Parish Council Would you like to be a Parish Councillor and help make Treeton a better place to live?

As a result of the resignation by one of our Parish Councillors we now have a vacancy. We advertised this casual vacancy at the end of April and as there has been no call for a by-election the Parish Council is now able to co-opt into this seat.

Co-option is a process whereby the Parish Council considers applications from interested persons and can then select people to fill the seats.

If you are interested in becoming a Parish Councillor, please write to us and include a few details of why you would like to become a Parish Councillor together with the skills and experience that you have for the role.

If you need any information about qualifications for eligibility (these are residency/presence in the village etc.) or just want more information about the role, please contact our Clerk: e-mail treetonpc@aol.com or telephone 01226 745910.

War Memorial Project

We mentioned in the June Newsletter that we were looking at restoring our war memorial and tidying up the land to the rear of it and Wendy Parker-Foers who is leading this project and has been hard at work has some great news to report and also needs your views and ideas as we develop plans.

How would you like this space to look?

We are really pleased to be able to share that work has started and to thank Equans who painted the railings for us and did some pointing of the flagged base in June as one of their social responsibility projects.

Wendy has now turned her attention to professional cleaning and restoration of the memorial itself. Please be reassured she is sourcing experts in the cleaning of historic stone work and be prepared to see scaffolding and the area 'off limits' for a few days whilst this takes place, hopefully in the early autumn.

Railings before

..... and after

We aim to clean weathering and algae off the stonework & clean and repair the lead lettering

We have negotiated the transfer of ownership of the land surrounding our war memorial from RMBC to the Parish Council at nil cost to us and once the legal processes to transfer ownership are complete it will allow us to develop the site into an area fit for the centre of our village, both attractive to look at as you walk past and to provide a pleasant space for quiet reflection.

Those of you with long memories will recall there used to be cottages on the site and since, we assume their compulsory purchase, whilst the land had some early landscaping by RMBC it has now become very overgrown with brambles, heavy ivy, some of it dead and sitting atop mostly self set trees which have grown without any pruning or care and so are too close together with some having dead boughs which can make them dangerous. This means an early task will be to undertake significant professional tree work including some felling to ensure the future of health of the trees and to allow us to open up what has become an ever decreasing grassed area.

We have already started seeking expert advice and need to sit that with local opinion.

War Memorial Project

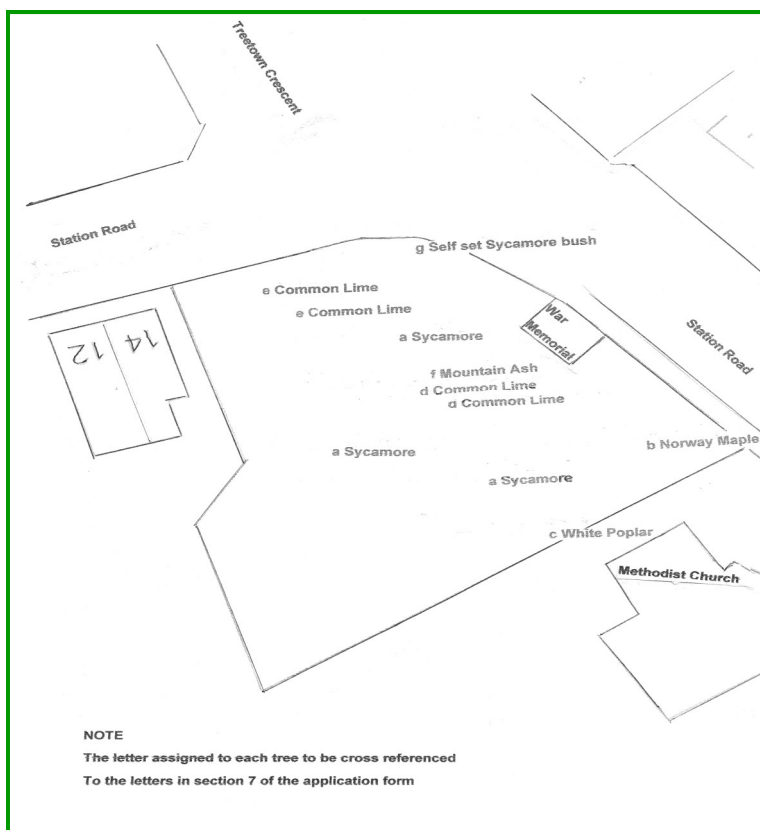

We have submitted a planning application to fell 3 of the sycamore trees to allow additional light into the area to provide the remaining trees with a better environment in which to thrive and to undertake pruning work essential to properly shape and balance other trees alongside removing dead wood and dead ivy within them.

We have selected these 3 trees on the basis of expert advice that they are a very intrusive type of tree which overshadows all others and needs around 8metres around each of them, they don't have this amount of space and so have crowded and taken light from the other trees affecting their ability to grow properly.

We need to seek planning permission because the site lies within the historic centre and conservation area of our village and whilst we have sourced our own tree specialist to help guide and inform our plans it will be helpful to also draw on expertise at the Borough Council.

You will see the statutory notices advertising our planning application close to the site & there are details in the Reading Room and below.

We welcome your views, please come & talk to Wendy during one of the Wednesday morning drop ins or stop her while she's out and about the village.

- a** 3 x Mature Sycamores situated around the site to be felled to ground level.
- b** 1 x Norway Maple to the left of the memorial (from Station Road) to be crown reduced by 30% and shaped.
- c** 1 x White Poplar situated adjacent to the Norway Maple is misshaped and is to be pruned and reshaped.
- d** 2 x Common Limes situated to the rear of the memorial to be reduced in height by about 5 metres and shaped.
- e** 2 x Common Limes situated to the rear right have dead ivy in the crown. These are to be reduced in height by about 5 metres & shaped and the dead ivy removed from within the crowns of both trees.
- f** 1 x Mountain Ash situated behind the 2 Common Lime (d) to have dead wood removed.

Our aim is to open up the space and ensure the remaining trees have the space they need to grow healthily, we plan to clear out the undergrowth, trim and tidy shrubs across the site, remove self seeded sycamores and ivy on the perimeter to create a light and pleasant open space and garden around our war memorial fit for the centre of Treeton. We will also need to look at the hard paved areas and tidy them too alongside checking our boundary walls and fences.

We would like your views on maybe bulbs and bedding plants, other ground level planting, perhaps seating and so creating a Jubilee garden.

These are our ideas, what are your thoughts?

Wendy is looking forward to hearing your suggestions please do give her a ring on 07973 310 680 she is happy to hear what you think and chat through suggestions.
