Spring 2023

Chairman's Review

We are a fair few weeks into the new year as I write my introduction to the Spring 2023 edition of the newsletter and I am really happy to be able to reflect on a number of achievements over 2022.

Firstly I want to congratulate the winners of the Treeton Christmas bake off, there were some tremendous cakes and cookies and also mention the volunteers who made the Santa's sleigh event such a success. The Parish Council were really pleased to have 'filled Santa's sack with goodies' but it would not have been the success it was without your efforts so thank you so much.

Still looking back at Christmas, we had very mixed comments on the Christmas trees on the lamp posts this year and so Victoria Beckett who has taken the lead on Christmas decorations will be reflecting on future plans, as always she will welcome your ideas.

I hope you are as pleased as I am with the progress on the war memorial project led by Wendy Parker-Foers, it has moved forward really well and the site looks so much better. There is more inside on Wendy's plans for the garden area.

The work on the burial ground paths has been completed, thank you for your patience, the Parish Council are really pleased with the results of what has been a significant investment in this important space.

I have news about your Parish Councillors, Andrew Badger stood down in December and I would like to thank him for his work over the last 8 years and wish Andrew well for the future. We co-opted Kevin Hickey and Rachel Rowbottom to our 2 vacancies in January and both tell you a little about themselves inside the newsletter.

Finally I want to draw your attention to the article on page 9 about our mine wheel on Wood Lane. I know so many of you are concerned that Jones Homes have not put it back in the right place and that it is not facing, as it should be, as a welcome to both residents and visitors to Treeton.

We have raised objections, gained support from our Ward Councillor and MP on your behalf, 460 of you have signed a petition and 89% of those responding to our on line survey have sent a clear message to both Jones Homes and Rotherham's Planning department that our mine wheel must be located and orientated as per the approved plans.

If you have not already done so you have a further chance to influence the decision by RMBC on the location and orientation of your mine wheel. It is also very worthwhile repeating, as we have done your objections so that RMBC are very clear on the strength of our feelings. Details of how to do this by email, phone and letter are in the article.

Stay safe and well everyone

Councillor Terry Adair.

SANTA'S SLEIGH AND CHRISTMAS TREES

We hope you enjoyed seeing the Christmas trees out again on the lamp posts, the nativity scene in the churchyard and spotted the tree in our war memorial garden

We acknowledge that the quality of some of the trees was disappointing and the addition of tinsel controversial. We have listened to your views and we will reflect on your feedback as we think about preparations for Christmas 2023

We would like to say a particular thank you to those who started Santa delivering presents on his sleigh through the difficult days of COVID Christmas times and to those who have worked so hard this last Christmas time to create Santa's grotto complete with sleigh and helped to put a smile on the faces of your children and of those in the Children's Hospital

Thank you

THOUGHTS ON EVENTS AND ACTIVITIES IN THE COMING YEAR

Following on from the success of the Christmas events, previous bake offs and the well received jubilee party packs last summer we are looking to establish an Events Working Group.

Olly Baum-Dixon will be leading for the Parish Council along with Victoria Becket, Eve Levin, Kevin Hickey and Rachel Rowbottom and they would really welcome you joining them to try and see how we can all work together on your ideas for community activities maybe starting with your suggestions for how Treeton might wish to Celebrate the King's Coronation in May.

Please do get in touch, their contact details are on our notice board and in this newsletter.

War Memorial Gardens Project

Work is continuing in the War Memorial Gardens. Over the late winter we have had some tumble down fencing removed and bridged a gap between our neighbours at the rear of the site with a new and attractive wooden fence. Work has taken place to mechanically remove the invasive ivy that was suffocating shrubs and harbouring debris taking away roots and the ground prepared so that when the soil warms enough for germination we can put down grass seed.

We will be looking at planting and soft landscaping and adding a couple of wooden bench seats which we are sure will be a very welcome rest spot as residents climb Station Road.

The final 'big piece of the jigsaw' will be to look at the old and broken concrete flags and how we can make best use of the York stone ones. If you have any questions please contact Wendy Parker-Foers.

Burial Ground Project

The old and uneven concrete flagged paths in the burial ground were replaced over January with lovely block paved walkways.

They have made such a difference to the appearance of the burial ground and importantly are even underfoot.

Thank you to all our visiting families and residents on Windle Court for your forbearance while these important and long overdue improvements took place.

You will have noticed the waste bins have moved away from the seat and towards the gate as part of trying to make our burial ground look tidier.

A plea to everyone, ensure all waste goes in the bins and is securely pressed into them so it doesn't blow around and because flower waste is recycled by hand. Please use the steel bin for sharp and broken items. Thank you.

The Minewheel & Coal Tubs on Wood Lane

You will all know that the Parish Council objected in the strongest of terms to Jones' Homes planning application to retain our mine wheel in its current erroneous location which does not accord with the planning consent.

We were subsequently approached by them with a view to a proposed compromise to reorientate just the mine wheel to face the entrance to the village leaving the planters in their current positions facing the entrance to the Jones' Homes development.

As this was significant to the village we wanted to consult with residents within the short timeframe available to us and did so via an online survey to gather your views. The outcome of the survey was that 89% of those of you who responded said that the wheel must be moved to accord with the original planning consent whereby the wheel and its entire structure acts as a welcome to Treeton, as it did prior to the development.

The matter was discussed at our Parish Council meeting on 30th January when we resolved by a unanimous vote to advise RMBC Planning that Jones Homes' proposal to reorientate just the wheel was not acceptable. Despite this Jones Homes submitted a variation to their planning application to reorient just the mine wheel.

The Parish Council following your clear instructions have informed RMBC that the wheel should be located and orientated as per the approved plans to act as a welcome to the village.

At the time of writing and RMBC Planning have contacted anyone who raised objections for their views on Jones' amendment to their plans and to make you aware of what you need to do to exercise your 'right to speak' at the Planning Board who will make a decision on this application.

The Parish Council continues to object robustly. It is important that you let RMBC know your views as well. The reference you need to quote is RB2022/1639 and you can email to development.management@rotherham.gov.uk you can phone 01709 254753 asking for Andrew West or 01709 382121 General Enquiries or write to Andrew West, RMBC, Regeneration & Environment, Riverside House, Main Street, Rotherham S60 1AE

Wood Lane garage site and green space

The Parish Council had a historic lease on the strip of green space land at the back of the row of terraces 53-76 Wood Lane which also included the garage site to the side.

Historically this land was allotment and garage space prior to the building of the bungalows and High Hazel estate beyond.

The land is owned by RMBC and we are trying to establish the existence of any expired lease alongside making a decision on any future interest the Parish Council may wish to acquire.

The land does provide green space within the village and a parking area which is predominantly used by residents of Wood Lane. If the Parish Council is to continue its interest in this land we need to consider how it can be used so that any benefits are not just restricted to the immediate residents but are also extended to the wider community within the village.

We would therefore like your views. Please let us know whether you wish your Parish Council to try and retain an interest in the land and if so what you would like to see it used for mindful that initial and ongoing costs must be minimal given the very limited resources of the Parish Council.

You can tell us by contacting any of your Parish Councillors or by emailing the Clerk. Contact details are on our notice board and page 16 of this newsletter.

Community Groups

Treeton has a thriving range of community groups and activities. Please get in touch with individual organisers if you are interested in any of the groups to check dates, meeting times and to find out more.

Changes on the Parish Council

We welcome Kevin Hickey and Rachel Rowbottom to the Parish Council who we were please to co-opt at our January meeting.

COUNCILLOR KEVIN HICKEY

I was born in the village, leaving as a child and returning to settle down and to bring my family up over 35 years ago.

My career started at British Steel as an apprentice Electrician, leaving to work for a plant hire company as an electrician and then on to work in sales and management.

For the last 21 years I have developed my own companies and been involved in industry, construction and events eg Christmas markets, Great Yorkshire and Rotherham Shows. I have been involved in supporting Rotherham Hospice and Treeton's Santa project through the rough times of Covid putting a smile on many faces when we all needed it most.

I have many memories told by my 93 years old mother of amazing times gone by and think it important to keep that village spirit alive and now I have decided to semi-retire am looking forward to giving something back to the village for all that it has offered to me and my family over three generations.

Call Kevin on 0776 496 1367

COUNCILLOR RACHEL ROWBOTTOM

I have lived in Treeton for 20 years my children, now both adults attended Treeton School. My family and I are community minded, having been involved in village events including the Treeton Santa from inception during COVID lockdown and providing free meals for children in school holidays

I worked for Santander for over 30 years in Project Management and as part of the Risk Team within banking & finance ensuring compliance with Banking & Employment laws.

I now own and run Treeton News where I am a familiar face welcoming both the old Treetonians and the "new estates" all of whom use the shop and post office. As the village Postmaster I have a well-rounded perspective on the village population and their wants/needs/moans etc.

The Parish Precept

The Parish Precept is a tax that Parish Councils charge their local electors to meet the budget requirements needed to provide services for their parish area. Parish Councils do not receive any direct funding from central government they rely on the precept plus any other income they can generate from services or facilities they provide. The Parish Council Precept is collected as part of the Council Tax demand householders receive from their principal council, in our case Rotherham Borough.

Treeton Parish Council has again been conscious in these difficult financial times not to increase pressures on families' finances and so once more have decided to freeze its precept keeping it the same for 2023/24 as last year which in real cash terms is an average decrease of a further 5.9%. Highlighted here is a Council Tax Bill for a Band A property from 2022/23 look for a similar reduction in the bill that has arrived on your doorstep this month.

HOW THE TAX IS ARRIVED AT FOR BAND A		% Increase
	£ p	
Rotherham M.B.C	990.28	1.5
Adult Social Care	134.54	3.0
Treeton	41.11	-4.0
S.Yorks Fire & Rescue	51.72	2.0
S.Yorks Police & C.C.	148.69	4.7
TOTAL	1366.34	4.1

Whilst you will see this small reduction in the Parish Precept within your Council Tax demand from Rotherham Borough Council unfortunately there will be an overall increase as the Borough Council have increased their precept by 4% and the Fire & Police Services have requested a 6.73% increase in theirs.

This is summary of our budget.

Budget 2023/24			
Where we plan to spend your money	Income	Expenditure	Net

We now have a defibrillator on the wall of the Reading Room building and whilst we all hope never to need this sort of help it is important it is there should an emergency arise that we all know what to do.

ALWAYS dial 999 first.

The emergency services know where emergency equipment is located and will direct you to it and if it is needed help you use it.

It is however always better to be prepared. There is a lot of helpful information and some really simple training videos on giving CPR and using a defibrillator.

The British Heart Foundation who kindly partly funded our equipment have developed a really useful 15 minute training video which you can download onto your phone on this link.
