Edition 40

June/July 2019

Chairman's Annual Review

We are pleased to report that the Parish Council continues to be active in managing Treeton Village.

The Parish Council has again benefited from taking advantage of the Public Rights Of Way Partnership Scheme from Rotherham MBC, which enables funding towards the Footpath Officer and gives value to the amount of work being carried out in our Village. I believe that we are the only Village that continues to make use of this available funding.

We would also thank Community Payback Scheme for their help with the improvements to the Wood Lane Burial Ground wall and re-installing the wooden fencing that Jones Homes should have dealt with, but failed to acknowledge our request to carry out this work.

The Reading Room roof has been replaced this year, which again was a necessity; this work was carried out by a village contractor. We are still continue to see Fly Tipping as an issue on Long Lane and also The Arches near Catcliffe, here having the chains cut off after gate is locked. Rotherham MBC have promised action on anyone dumping rubbish and have now purchased a covert camera which will hopefully assist with the catching of the culprits.

The Community Centre is used on every day of the week and its success is proving to be a real asset to the Community,

Chairman's Annual Review Cont...

The Youth Club is very active assisting in keeping our children off the streets on Mondays and Thursdays. This is managed on behalf of the Parish Council by Simon Dungworth Sports although it continues to be funded by the Parish Council.

The Parish Council continues to give grants and assistance, one of which was to the Baptist Church Firework display and another with a special mention has to be made of John Tinkler and Electrify Firework management for the work that they put in providing a firework display enjoyed by many in the village.

We are thankful to Shaun Singleton and Ray Bolton for keeping the village neat and tidy, cutting down overgrown hedges and maintaining our footpaths.

A special thank you to our Clerk to the Council Chris Brown, for his work during the year, and also recognition to my fellow Parish Councillors for their support throughout the year

T.W. Adair
Chairman.

Walking on Public Footpaths

The Parish Council have been approached by local landowners who have public footpaths passing through their land. It would appear that some people using these footpaths are straying from them on to Private Land and in the process of doing so are causing damage on the Private Lane.

The Parish Council would ask all its residents that when walking on these Public Footpaths that they do take care and are aware of any problems that can be caused when they stray from the Footpath and damage Private property.

fostering.
be the difference

Can you care for our Rotherham children?

We urgently need new foster carers to look after our local children in Rotherham.

Become a Rotherham foster carer and reduce the number of Rotherham children placed with foster families hundreds of miles away from their homes, schools and friends.

If you can offer a caring, loving home we will offer you competitive rates and an expert support and training package.

Treeton Medical Centre News

INFLUENZA CLINICS

It is important to get vaccinated against Flu If you are in one of the following at risk groups; this is a free vaccine: Heart Disease, Angina, Stroke, Diabetes, COPD, HIV Asthma (only on a regular preventive therapy), Emphysema, Cystic Fibrosis, Epilepsy, MS, Cancer, Immune Suppression, Chronic Renal Failure, Parkinson's, Rheumatoid Arthritis, Patients aged 65yrs. If you have a condition which is not on the above list, please enquire at the surgery if you are eligible for a free vaccine. It is important if you fall into an at risk category to have your Flu vaccination. Please contact the surgery for an appointment. Having your flu vaccination at the surgery ensures this is documented in your medical records and keeps your records up to date.

Flu vaccinations appointments are available to book from September; appointments can be booked either online, face to face or via telephone. If you are a bed bound patient or their carer; please contact the surgery to arrange a home visit for your/their flu vaccination.

Health & Wellbeing Event

We are hoping to hold another health & Wellbeing Event this year at the beginning of October, please watch out for more information on the venue and date which will be finalised shortly.

Surgery Renovations

Renovations at the surgery are now complete and we would like to thank you for your patience while the works were completed. We have upgraded the waiting area, reception, patient toilets and some of the clinical rooms.

Care Navigation

Our receptionists are here to help you see the right person for your needs. Please don't be offended if they ask what the problem is when you call to make an appointment. The receptionist might suggest that you see someone else who can help you better such as, IAPT (Mental Health Services), Self care pharmacy, Sexual Health, Physio first, Stop smoking, Midwife, ANP (Advanced Nurse Practitioner). For further details visit www.rotherhamccq.nhs.uk/care-navigation-2.htm to find out more about the full range of services available locally.

Choosing the right care, first time

Pharmacy first: Many pharmacies are open early until late and on weekends and bank holidays. You don't need an appointment, and can just pop in and get expert medical help from a qualified healthcare professional. Most pharmacies now have a private consultation area where you can discuss your issues and concerns without being overheard. Pharmacy First Many of Rotherham GPs and community pharmacies are part of the Pharmacy First scheme which enables you to get medication direct from the pharmacist without a prescription. Plus if you don't normally pay prescription charges you can get medicine supplied under the scheme FREE OF CHARGE. For a list of pharmacies in the scheme visit: www.rotherhamccq.nhs.uk/pharmacy-first.htm

Self care: You can treat most common ailments and illnesses at home by keeping a well stocked medicine cabinet. This should include: • Pain relief e.g. paracetamol or ibuprofen • Children's paracetamol oral suspension and ibuprofen syrups • Mild laxatives to relieve constipation. • Cold relief products. • Rehydration mixtures to use if feeling dehydrated after a bout of sickness or diarrhoea. • Indigestion remedy. • A range of bandages, plasters, non-absorbent cotton wool, elastic bandages and dressings for minor cuts, sprains and bruises.

Children: All children get colds. This is a normal part of growing up and no medicines can prevent them. The best way to look after your child is to make sure they have plenty to drink and if they have a temperature some paracetamol will help. Most doctors don't recommend cough medicines and antibiotics won't help a cold.

Treeton Medical Centre News cont

NHS 111: NHS 111 offers confidential health advice and information by telephone. Ring 111 if you are ill and have questions about your health and where to get treatment. Health services are very busy at the moment. Help us to help those most in need. Follow these steps to use the right treatment:

GP surgeries: Make an appointment with your local GP if you have an illness or injury that will not go away.

Patient Participation Group

PPG is made up of **patients** and practice staff who communicate at regular intervals to consider ways of making a positive contribution to the services and facilities offered by their practice to **patients**.

If you would like to get involved or would like your ideas passed to the group, please contact John Swift who is the chair for the group on 0114 2696992 alternatively please contact Treeton Medical Centre and speak to the practice manager. All suggestions/ideas will be reviewed; this is only for PPG suggestions **NOT** for complaints or enquires.

The Carers Resilience Service team

The Carers Resilience Service team, who facilitate the carer drop-ins, can provide information and signposting on the support and resources available to help carers in Rotherham

For more information please call 01709 360272 and ask to speak with one of the Carers Resilience Team or pop along to Treeton Medical Centre during one of our drop-in sessions.

Zero Tolerance

The surgery operates a zero tolerance procedure in conjunction with NHS England and South Yorkshire Police. The Practice will not tolerate patients who are violent, abusive or use foul language to staff and ancillary staff. Action will be taken against anyone found to have used any of the afore mentioned forms of unacceptable behaviour. This also applies to electronic media behaviour such as emails, face book and twitter. Any proven threats made against the practice and its staff will be forwarded to the police.

Chronic Disease Reviews

If you are due for your annual review for Diabetes, Hypertension, COPD, Asthma or CHD, please contact the surgery to book an appointment with the Nurse. The practice has a duty of care to ensure all patients who are on chronic disease registers ie: Asthma, are reviewed.

Update contact details

Please update your contact details if they have changed, this will enable the practice to contact you for routine or urgent matters. If you have a mobile phone could you please let the surgery know, this will enable the practice the facility to be able to send an appointment text reminder to you.

Police Surgery

Residents are invited to attend this drop in session which is held every Thursday between 10.15 a.m. and 11.30 a.m. Residents can have a coffee and discuss any problems relating to housing, anti-social behaviour, crime and the environment. The Police and a Councillor are usually in attendance at these sessions.

If anyone has a matter they wish to discuss in private, please make this known to the person or group that you wish to see on your arrival.
