# Welcome to the Spring Newsletter

Spring has arrived and, at the time of writing, it is so lovely to see the daffodils we planted in full bloom around the village as well as the flowers around the mine wheel at the bottom of Mill Lane and the colourful crocuses which are in their first year of flower around the perimeter of the war memorial, they all look a picture. [images to be inserted]. The spring flowers certainly brighten up the village after the long winter which coupled with the winter street cleaning, which took place in January, improves the appearance to the village. We have had many positive comments from residents saying how much cleaner the roads and pavements are looking after the removal of so many weeds and general debris. The challenge now is for the Parish Council to keep pressure on RMBC to ensure the village remains clean and tidy.

Looking back to Christmas, in addition to the Christmas trees on lampposts, we were all able to enjoy the splendid 'Festival of Christmas Trees' in the Memorial Garden. The trees looked wonderful and we had some excellent feedback from residents saying what joy they brought to the village over the festive period. The Parish Council would like to thank all those local businesses and individuals' who generously sponsored the trees and I would like to extend my thanks also to the Councillors involved in the project for their hard work getting the trees in place and looking their best.

Many of you will have noticed that the new Beaumont Grange Development is nearing completion. I am pleased to advise that one of the last jobs before Jones Homes' leave the site will be to reorientate the Memorial to the Miners' so it acts once again as a 'Welcome to

Treeton'. We are hopeful that this will be achieved quickly and without any unnecessary delay! Further details are included inside.

I mentioned in the last Newsletter that the Parish Council is committed to addressing the growing problem of fly tipping and general littering which, quite frankly, is only getting worse. Over recent weeks we have reported an increased number of incidents of fly tipping in the village itself. Whilst RMBC has been helpful in removing most of this, it is unsightly and encourages some others to just add to it only compounding the problem. The amount of rubbish which has been dumped randomly is staggering and, as I have said before, is downright disgraceful. More details and examples of this can be found later in the Newsletter.

A number of residents in the village have raised concerns about parking and in particular parking on pavements restricting the passage of pedestrians, less able residents who use wheelchairs and parents with prams. Hot spots raised include the top of Well Lane, Rother Crescent, Arundel Avenue, Arundel Street by the Medical Centre and around the school. We respectfully ask that when parking vehicles residents do so considerately to ensure everyone's safety.

As some of you may be aware Julie James, our Parish Clerk and Responsible Financial Officer, will be retiring in May and we are currently in the process of appointing her successor. As a PC we have benefited greatly from Julie's considerable experience and knowledge as well as her tenacity for getting things done, ensuring projects come to fruition and from her sheer hard work. She has worked tirelessly on behalf of the village and its residents and she leaves the PC in a much stronger position as we move forward. We are enormously grateful to her for all she has achieved for the village during her tenure. The entire Parish Council would like to thank Julie for all her work and wish her a long and much deserved retirement.

# CCTV in Treeton

---

The Parish Council is delighted to share that at an Extra Meeting of the Parish Council, held on 12th March 2024, it was agreed to proceed with the procurement and installation of CCTV cameras in the village.

## **You Spoke, We Listened**

On 29th June last year the Parish Council held a Community Crime meeting in response to concerns raised by residents around car thefts and house break ins. At those meetings the message from residents was clear, that there were concerns over security and that further actions were needed.

The Parish Council heard this message loud and clear, and has since assisted with the launch of the local Neighbourhood Watch Scheme and increased partnership working with both SY Police and RMBC. The Parish Council is also committed to exploring all viable options which will improve safety and security within the village

## **Delivering on your Priorities**

The decision taken at the Extra Parish Council Meeting will see 4 CCTV Cameras placed strategically across the village to act both as a deterrent and to assist South Yorkshire Police in any investigations.

The four locations for the cameras will ensure that the three entrances and exits to and from the village will have full coverage, in addition a fourth camera will be positioned in a more central location within the village.

The cameras will not be monitored 24/7, however, they will be continually recording, which will then allow South Yorkshire Police and RMBC to access the video recordings, in order to assist with investigations, if and when crimes are reported. It still remains paramount that all incidents are reported by residents, so that the cameras can be put to their intended use and to build a full picture of any criminal activities within the village.

The Cameras will be fully funded by Treeton Parish Council, from its reserves, and will be installed in partnership with RMBC. This project is further evidence of the Parish Council's continued commitment to listening to residents concerns and helping to ensure that residents feel more secure in their own homes and in the wider village.

# Wood Lane Mine Wheel

In the introduction to this Newsletter, we advised that as the Beaumont Grange Development nears completion, one of the last steps Jones Homes will take is to reposition the Miners' Memorial, which includes the wheel, by reorientating it by 90 degrees and moving it closer to the road so it acts as a welcome when entering the village from Aughton.

You may recall that in the last edition of the Newsletter we informed residents that following protracted discussions between the Parish Council and Jones Homes' an 'agreement in principle' had been reached to relocate the Memorial to its new position. In reaching this agreement the Parish Council was of the view that it was the best outcome that could be achieved in terms of the Monument's visibility and its representation of Treeton's mining history.

At the time it was, however, recognised by both parties that that the relocation would require Jones Homes' to seek the necessary planning consent from RMBC as the agreed location of the Monument differed from the position shown on the original planning consent.

We can confirm that this planning application was submitted and the required consultation period ended on 22nd February. There were no objections to the application and the statutory requirement was that a decision on the application be communicated by 13th March, however, no decision had been published when this Newsletter went to print. The Parish Council has no reason to believe that this planning application will be rejected and we have confidence that the relocation of the Monument will go ahead once the planning consent is received.

# Out of Control Dogs

The Parish Council has received a number of reports of out of control dogs over recent months, including instances of dog on dog attacks. There is also anecdotal evidence to suggest that the problem extends further than what is being reported to the Police and/or the Parish Council.

Below is some further information on what constitutes an out of control dog and how to report it:

## Dogs out of control in public places

It's an offence to let a dog be dangerously out of control whether that's in public or private. A dog is considered to be out of control if it:

- injures someone
- makes someone worried that it might injure them

A court could also decide that your dog is dangerously out of control if:

- it attacks someone's animal
- the owner of an animal thinks they could be injured if they tried to stop your dog attacking their animal

Please note, a farmer is allowed to kill your dog if it's worrying their livestock.

If you see a dog loose, please report this online. If the dog seems to be out of control then call 101.

## Banned dogs

In the UK, it's against the law to own certain types of dog, which are the Pit Bull Terrier, Japanese Tosa, Dogo Argentino, Fila Brasileiro & XL Bully.

It's also against the law to sell a banned dog, abandon a banned dog, give away a banned dog and breed from a banned dog.

**For more information about 'out of control dogs', banned dogs and other animal crime, please use the following QR Code**

# Parking Problems

The Parish Council is often informed of parking problems across the village, including the blocking of pavements, parking near or on junctions and blocking the highway.

These issues should be reported either to RMBC, Land Owners or the Police, depending on the problem. If a vehicle is parked as follows, it should be reported direct to South Yorkshire Police:

- on zig zag lines
- dangerously
- in a way that would prevent emergency vehicles from accessing

Vehicles parked as below should be reported to RMBC:

- over a dropped kerb
- on a pedestrian crossing (including the area marked by the zig-zag lines)
- in spaces reserved for Blue Badge holders, residents or motorbikes (unless entitled to do so)
- in marked taxi bays, cycle lanes or red lines
- near a school entrance, bus or tram stop

It is important that these matters are reported so that patterns can be seen, preventative measures put in place and where necessary enforcement carried out.

Full details of what should be reported and who to report it to can be found using the QR Codes below.

Please also feel free to let the Parish Council know when you have made a report, either through our Facebook Page or by emailing the Clerk. The Parish Council will then be able to follow up with the appropriate bodies on residents behalf to try and ensure that action is taken.

# The War on Litter

Treeton is continuing to see an ever increasing incidence of fly tipping by a small minority which sadly impacts the majority of people who genuinely care about the appearance of the village and the environment in which we live.

Below are just a few examples of the offending recently witnessed by the Parish Council:

- The remains of a firework display on Hilly Fields. If the fireworks can be carried to the site where they were ignited then why cannot the residue be taken home?

- Carpets, kitchen tiles and four tyres dumped by Treeton Dyke by someone who obviously has vehicle access. Treeton Dyke and its surroundings is an area of outstanding beauty and there for us all to enjoy. All of these items are still in situ because heavy sodden carpets are difficult for volunteers to remove. These dumped items have created an absolute eye sore.

- Stinking rotten fish and chicken together with other rubbish thrown from Washfield Lane onto the Cowfield Bank which then had to be collected up manually and bagged. Very unpleasant!
- A Christmas tree stump contained in a plastic bucket full of concrete thrown from Washfield Lane down the bank into the Cowfield.
- Bags full of rubbish dumped on the land at the bottom of Twenty lands which was then bagged up by a resident and placed by the waste bin and reported to RMBC as fly tipping.

- Rubbish fly tipped at the rear of Nichols shop, off Station Road, and more recently builders' rubble just dumped in the middle of the area for all to see.
- Bag(s) of rubbish left at the rear of Wood Lane by the garages.
- Bags of rubbish left by a bin on High Hazel found to hold the contents of a resident's kitchen cupboard cleanout. Please be aware that this constitutes fly tipping and RMBC will only remove waste from the side of a bin if it is litter collected by our litter pickers and officially labelled as such.

### **Why do a few people think it is acceptable to abuse and deface our village in this way?**

None of this is rubbish which has been thrown from car windows, it has been consciously dumped by people too lazy to go to the tip or have it disposed of legally.

There is no immediate solution to this problem but the Parish Council is currently exploring ideas about how to tackle this problem which includes, in conjunction with RMBC, the deployment of mobile concealed CCTV cameras around the village as a means of identifying offenders.

We are very fortunate here in Treeton to have a group of litter pickers who routinely give of their time picking up the litter of people who feel it is acceptable to discard their rubbish at random even where there is a waste bin in sight! We are extremely grateful to all of these kind people but we have to acknowledge that there are limits to the rubbish they can recover which includes dealing with the impact of selfish and lazy fly tippers.

You can see more of the impact that fly tipping and littering is having on the village in our centre page spread.

# Renting the Reading Room

The newly refurbished Reading Rooms is available for booking.

The rental charge is a minimum of £40.00 which is to rent the space for up to 2 hours. The rental for up to 4 hours is £60.00 and should you wish to book the Reading Room for the full day we charge £80. This includes use of the kitchen facilities. We will negotiate these rates for regular bookings.

We do require that you pay a key deposit of £50.00 which is refundable after use. However, this will be retained if necessary to cover any damaged or cleaning requirements.

**If you require any further details or wish to make a booking, please contact our Clerk on [treetonpc@aol.com](mailto:treetonpc@aol.com) or by telephone on 07868 813 547**

# Update from the Events Group

Over the festive period we held the Annual Santa's Grotto at Treeton Miners Welfare, where children from the village got the opportunity to meet Santa and receive a free gift. This year over 200 children from Treeton and the surrounding areas attended, many of whom stayed at the Miners Welfare for the Christmas Pantomime.

Just before going to press, the Easter Party took place in the village, which was organised in conjunction with the Miners Welfare. The children getting the opportunity to meet the Easter Bunny, have photos taken and receive a free Easter Egg. We also received some fantastic entries in both the Cupcake Decorating Competition and the Easter Bonnet Parade. Well done to everyone who entered and congratulations to the winners.

The Events Group has now planned out a calendar of events for the remainder of 2024, including the return of some of the successful events from the previous year, with a couple of additions.

A D-Day 40s Themed Garden Party will be hosted on the War Memorial Gardens in June to mark the 80th Anniversary of the D-Day landings. The Picnic on the Pitch returns in July, hosted once again at Treeton Cricket and Football Club. Following the success of last years event, there are plans already in place to make it bigger and better this year, with even more entertainment for all the family.

### **Can you get involved with the Picnic on the Pitch?**

We are looking for stallholders and activities that would like to take a 'pitch' at this years Picnic on the Pitch.

We are also looking for local community groups who would like to perform at this years event, such as signing groups, dance troops, cheerleading squads etc, etc,

**If you are are interested, please get in touch via our Facebook Page.**

The Village Scarecrow Competition will this year form part of the Picnic on the Pitch, and although we will be encouraging residents to display their scarecrows in their gardens with the final judging taking place at the July event.

The Hidden Heroes also returns this year in October, when we will be again recognising the contributions of all the volunteers across our village who quietly contribute to making Treeton a better place to live. Watch out for the nomination process in the Summer Newsletter and on our Facebook Page.

We will be again hosting a Pumpkin Carving Competition in October, with the Santas Grotto and Christmas Party also returning in December.

New for this year is a Carol Singing event, with a date yet to be confirmed, but it will likely be in the week running up to Christmas Day and will be hosted in the War Memorial Garden.

If you would like to get involved with organising and volunteering at any of our events, or you would like to be part of the Events Group, then please contact the Parish Council via our Facebook Page.

# Neighbourhood Watch Update

The 7th February saw the first official meeting of our Neighbourhood Watch members. We were delighted to welcome 12 members to the Reading Rooms where John Shillito, Designing Out Crime Officer delivered a very informative presentation about crime prevention in your property and neighbourhood. Some of the information provided is contained on the following web page.

## South Yorkshire Police Crime Prevention Advice

We would also like to welcome our new Coordinator Paul Davis who has kindly volunteered to assist Rachel, Katie and Tracey.

A WhatsApp group for Neighbourhood Watch members has been launched, if you are a member and wish to join, please contact your coordinators via the message facility on the NW Website.

In March the Parish Council resolved to fund 4 CCTV camera, which will cover all the entrances/exits to the village, as well as a central location. More information can be found in the CCTV in Treeton article earlier in the Newsletter.

It remains important that you report any crime or antisocial behaviour either by phone or online.

**If you're not already a member, please join up using the QR Code, click on find my local scheme and select the Treeton Scheme.**

**There is some very useful crime prevention information on the Neighbourhood Watch Website, you don't have to be a member to view it and can be found using this QR Code.**

# Your Neighbourhood Watch Team

---

**Rachel Rowbottom**

Rachel has lived in Treeton for over 20 years and is the owner of Treeton News and Post Office. She has village security and community at heart and will work with all residents to make our village safer.

**Katie Van Niekerk**

Katie is a civil servant and lives in Treeton with her husband and young daughter. She has lived in the village for nearly 8 years and South Yorkshire for many more. Neighbourhood security is important to Katie and she wants to promote a safer village for everyone to enjoy.

**Tracy Collins**

Tracy and her husband have owned a property on The Crescent since the houses were built. The neighbourhood watch values, vision and mission are what Tracy wishes to concentrate on, focusing on the visionary section, "a society where Neighbours come together to create safer, stronger communities".

**Paul Davis**

Paul is married, now retired and has two grown up children, who have both now left home. Paul wants to help the village to be a safer place for young and old and has joined the Neighbourhood Watch as a Coordinator to try and help.

# Treeton Nature Diary

## Swifts

For many years one of the great sights and sounds of summer, were the many Swifts over Treeton. In recent years, home improvements, particularly, the installation of new UPVC soffits, fascias and barge boards have excluded many Swifts from their former breeding holes.

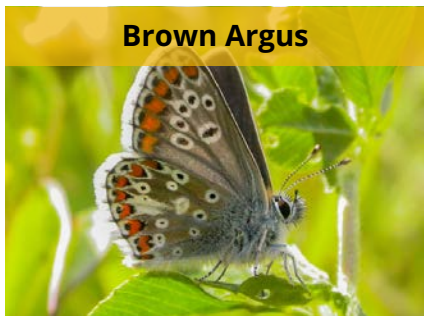

These fascinating long-living birds, spend almost their whole lives on the wing going years usually without landing, commuting between Europe and Southern Africa. There are now no more than a handful of pairs still nesting in the village.

If any villagers that still have swifts are considering installing new roofing features there are ways to keep Swifts by getting the installers to make holes in the soffits as illustrated in the photos.

It has been proved that Swifts rarely use boxes/bricks fitted retrospectively. The installation of boxes and special bricks can work, but usually when used with a speaker system with the Swifts calls. For further advice please visit the excellent Sheffield Swift Network website:

<https://sheffieldswiftnetwork.org>

**Dingy Skipper****Clouded Yellow****Essex Skipper****Brown Argus****Butterflies**

The many former tips of Treeton for many years attracted an increasing and diverse range of butterflies, particularly in the early days of colonisation of grasses and plants. Butterflies need their host plants for the caterpillars to feed on, as well as a range of flowers to obtain nectar from.

Since the natural restoration of many of the tips, the following grassland butterflies have become established Orange Tip, Dingy Skipper, Small Skipper, Large Skipper Essex skipper, Ringlet, Gatekeeper, Meadow Brown, Wall Brown, Small Heath, Common Blue, Brown Argus.

Many other species also occur, but the aforementioned species are particularly attracted to grasslands, with many of their caterpillars feeding on grasses.

The main threat to these species is the loss of grasslands to woodland/scrub and the carpeting of the grasses with alien plants such as Michaelmas Daisies. Wall Brown once very common, has rarely been seen in the last 20 years and Dingy Skipper has becoming very hard to find in recent years.

Occasionally during long hot summers Clouded Yellow butterflies from Southern Europe/North Africa migrate further north than usual and are invariably found on the local tips.

# SELLING A PROPERTY IS STRESSFUL?

**What if I told you it  
didn't need to be?**

I take pride in reducing the stress that comes with moving home.

I offer a personal approach to buying and selling property. You will always deal directly with me, not with an office.

I combine modern marketing techniques with

- transparent service
- dedication
- and the highest levels of personal integrity.

# News in Brief

---

Since the start of the New Year, the Parish Council has been busy working on behalf of residents on a number of projects and pieces of case work, including:

- Engaging RMBC with flood management for residents at Shorland/Windle Court following a large number of flooding incidents at residents properties over the last 3-5 months.
- Flood management on Treeton Lane to Aughton - Lobbying RMBC resulting in the removal of the earth bund in the layby and work on the drainage system to reduce the flooding of the road.
- Flood resilience & emergency planning with RMBC to raise the profile of the experiences of residents and the village
- Engaging with RMBC to deliver enhanced street cleaning across Treeton through January.
- Focus on potholes & blocked drains including regularly reporting incidents to ensure RMBC address them properly.
- Engaging with RMBC and SYMCA resulting in the installation of lights in the Bole Hill Bus Stop.

There are also a number of projects and pieces of case work that the Parish Council is continuing to work on, including:

- Parking issues throughout the village, including the blocking of driveways and pavements, and illegal parking near to and opposite junctions.
- Ongoing monitoring and reporting of potholes on both pavements and roads, and following up on reports by residents, where the PC has been made aware.
- Ongoing monitoring and reporting of litter and fly tipping problems.

**Should you have any issues that the Parish Council can support you with, please contact the Clerk or one of the Parish Council team.**

# Community Groups

Treeton has a thriving range of community groups and activities. Please get in touch with individual organisers if you are interested in any of the groups to check dates, meeting times and to find out more.

## **St Helen's Church**

St Helen's Church is part of the Rivers Team of churches and are offering a service at St Helen's on the 2nd Thursday of each month at 11am.

The weekly Sunday service is at St Lawrence's Church, Tinsley at 10.30am, these services are streamed on-line.

For further information or help about baptisms or weddings or to speak to a member of the clergy in confidence at the Team Office 01709 361630 or see their website for details: [therivers-team.com](http://therivers-team.com).

## **St Helen's Church Coffee Pot**

Held every Thursday 10am to 12 noon at St Helen's Church,

## **Friends Of St Helens Church Heritage Trust**

Work with the church to give practical support to the eleventh century Grade 1 listed building. New members are very welcome and annual subs are just £3pp.

Anyone wishing to join please contact Wendy Parker-Foers on 0797 3310 680.

## **Treeton Baptist Church**

Weekly services are held at 10:45am each Sunday morning with Communion on the 1st Sunday of the month. The 2nd Sunday is usually a fun family service with 'bubble' prayers and 'children's story-time'.

The church also provides infant and child dedications (similar to Christening); believers Baptisms; weddings; wedding vow renewals and funerals. For more information please ring 0114 269 4000 or email [admin@treetonbaptist.org.uk](mailto:admin@treetonbaptist.org.uk).

**Treeton Baptist 'Open Church'** - 10am to 2pm every Monday. Tea, coffee, soup etc, come along and relax, have a chat etc.

**Treeton Baptist Church Community Library & Coffee Morning** - Held every Tuesday 9:30am to 12:30pm to exchange books and jigsaws. Tea, coffee, biscuits etc

**Treeton Baptist Church Friendship Luncheon** - Usually held last Tuesday of the month from 12:30pm. Soup with a roll, homemade pudding and tea or coffee.

**Treeton Baptist Church Ladies Group** - Held 2nd Tuesday every month from April to September starts at 7:30pm, from October to March starts at 2:30pm.

### **Exercise for the over 60's**

It's never too late to keep fit. Exercise classes for the over 60's or anyone with disabilities are held at Treeton Baptist Church every Thursday 2.30-3.30 p.m. The classes are led by Carole Burgin a trained 'Extend Exercise Instructor'.

Please ring Carole on 0796 907 3111 for further details.

### **Treeton Trudgers Walking Group**

Meet at 10.00 a.m. at the top of Washfield Lane for all except evening walks, with packed lunch, stout shoes and waterproof clothing. Generally held on the last Saturday in each month. All walks are around 4 miles long. All welcome, transport not essential.

For further details contact Jim Cunliffe on 07867 641 405.

### **Sewing Group**

For anyone interested in needle and sewing crafts there is a sewing group at the Community Centre Monday 1.00-3.30 and Tuesday 10.00-12.30

It is a friendly and informal session, you can just turn up so why not take your sewing machine, wool and needles along

### **Community Centre**

Treeton Community Centre is fully open. Here are details of activities the centre is currently running:

**Monday** - Zumba (9am), Sewing Class (1:30pm-3:30pm). Youth Club (5:15pm-6:45pm) & Scouts (7pm-9pm)

**Tuesday** - Sewing Class (9:30am-12:30pm)

**Wednesday** - Baby Boomers (9:00am-1:00pm), Beavers & Cubs (4:45pm-8:45pm), NHS Diabetic Clinic (By appointment)

Treeton Lunch Club Dates: Please look out for future dates on the Community Centre Notice Board. Booking is essential. Call Terry on 07886 520586

If you need any further information about any of these activities or to book the community centre please contact Terry Adair on 07886 520586

# Washfield Lane Children's Playground

More great news from Treeton Cricket & Football Club. Trustees of the Club's parent Charity, Treeton Memorial Community Centre & Playing Fields, were successful in securing a grant of £9,000 from Banks Community Fund via the Penny Hill Wind Farm Community Benefits Fund.

This has enabled improvements and repairs totalling £13,000 to be carried out on the Children's Playground located at the Washfield Lane Sports facility. In addition, a larger litter bin has been installed to help ensure the Playground remains tidy and a safe place for children to play.

## NEW BOOKING SYSTEM

The surgery is looking at a new way of working by using a clinical triage system. Hopefully this will take the pressure off the 8am rush to get an appointment and help ensure that patients needs are prioritised and dealt with accordingly. On calling the surgery you will be placed on a triage list and assessed by a clinician. You will then either be:

- Asked to book a routine appointment.
- Signposted to an appropriate service.
- Seen/Spoken to by a clinician.

Please Note: this is a new system so please be patient and kind to our staff.

**NHS 111 Online symptom checker** – unsure who the most appropriate service is for your problem? Check the NHS 111 online symptom checker, answer a few questions and they will advise whether you need to see a GP, A&E, Pharmacy etc.

Our practice Website & NHS choices offer self-help advice.

**SMEAR APPOINTMENTS** - available to book online (nurse clinic)- only book if you have received an invite from the surgery or from cervical screening. If you are not due for a smear this will be discarded by the laboratory.

**Telephone and Face to Face appointments** – If you have a face to face appointment please arrive in time for your appointment. If you arrive late the clinician has the right to mark you as a DNA and ask you to rebook. For Telephone consultations please ensure you are available within 30mins before and after your appointment time as we cannot guarantee you will be contacted at exactly this time due to delays. We have had to remove online booking for GP's and ANP's due to inappropriate bookings which then leads to wasted appointments.

**ADVANCE NURSE PRACTITIONER** – Our ANP can deal with headaches, chest infections, sore throat, sinusitis, diarrhoea, abdominal pain, heartburn, sickness, uti, thrush, gout, new neck or back problems, acne, eczema, rashes, warts, verrucae, impetigo, bites, in growing toenails, allergic reactions, hay fever, asthma attacks, medication reviews. Not appropriate for pregnant ladies or Mental Health issues.

### **Did Not Attend (DNA's)**

Whilst we understand things crop up which may mean you cannot attend your appointment, we would appreciate it if you could call to cancel your appointment with as much notice as possible so we can offer it to someone else who may need it.

### **Telephone Appointments**

When booking a telephone appointment we cannot guarantee a set time, we are trying to advise patients it will be a morning or afternoon telephone call, however if you have access to online booking this will show as a set time – this is for surgery use only so please keep your phone handy!

### **Annual Reviews – i.e Asthma, Diabetic, Medication**

We are changing the way we call people for their annual reviews. You will now be called in your birthday Month, but it may mean you get 2 reviews in the 1st year. These reviews are an important way of monitoring our patient's health and ensuring the correct care and advice is given. **Please ensure you book your appointment when you are invited.**

### **Rotherham Health App**

Did you know you can use Rotherham Health App to send us non urgent messages, contact details updates, extend sick note request, prescription queries, referral follow-up requests using the forms section in the app.

### **SystemOne Online**

You can now send the admin team online messages, these should only be non-urgent queries e.g. sick note request, general advise, referral follow up etc.

**Please Note: we do not accept prescription requests over the telephone unless you are housebound or have been given permission by the GP due to medical reasons. All requests should be made via the Rotherham Health App or if you are not able to do it this way pop your requests in our letterbox located on the right of our entrance. We require 48 hours notice to process your request.**
